## ABOUT ETHICS IN BUSINESS SAN ANTONIO

It is the belief of The Ecumenical Center that ethical teaching and action are essential for healthy communities. The Ethics In Business San Antonio program was established to encourage and support the growth of an extraordinary business community where the values of its leadership are manifested in their daily work. Proceeds benefit the Ethics in Business San Antonio program and The Ecumenical Center.

This exceptional program brings together institutes of higher learning along with companies of our community, and culminates in the public recognition of outstanding ethical commitment.
